Dear Client,

### **Management of your General Insurance Account with Seaway Insurance**

We are pleased to let you know we are taking over the management of Seaway Insurance Consultants following the retirement of Mrs Jill Howell. PSP have been advising clients on general insurance since 1981 and now have offices throughout the South West.

We hope to build on the existing business relationships you have with the Seaway Team and will continue to provide the excellent service you have always enjoyed.

The Penzance team will be joined by Zak Blake from our Newquay office and the Torquay team will be joining their new PSP colleagues in the PSP office in the Riviera Centre in Torquay.

If you have any questions please contact any member of the team and I am confident they will be able to help you.

We hope to be able to continue working for you as your insurance broker.

Yours sincerely,

M R Parkins ACII
