Dear Client,

Management of General Insurance Account

After 36 years of providing Insurance through Seaway, I am now 78years old, I have decided to retire and handover and sell the business. It was an extremely difficult decision to make as Chris and I have always enjoyed working with our clients and staff. (Chris sadly died in 2021)

So, with effect from 1st December 2023 I have sold Seaway to PSP Group. PSP Group are one of the oldest and leading professional Brokers in the South West.

Mrs. Susan Linscott and Mrs. Phillipa Palmer of Seaway, St Marychurch will be moving across to PSP Group's local Torquay Office based at the Riviera Centre, Torquay and Miss Steffi Apicella and Mrs Vanessa Rowe will be staying at the Penzance branch, so you know you will be in good hands. PSP Group believe in face to face service, as we have always done, as a personal approach is important to them.

I have had the pleasure of acting as your Insurance Broker and I know you will be in good hands with PSP Group.

Therefore, I enclose an Introductory letter from Mr. Bob Parkins the PSP Group CEO.

Yours sincerely,

Jill Howell (Mrs)
